Introduction

I recently decided to transition from the entertainment industry to the ICT sector. In between I have worked as an organic farmer. Yes, I like a challenge! Currently intern @ Easyvest.

Experience

2024 - from November

Intern @ Easyvest, Brussels

- Full-Stack: Salesforce Apex (backend), React (frontend). Weekly sprints.
- Designing New Premium Customer Page with visualforce components.
- Creating contracts templates interacting with data model.

2024 - from February to October

Junior Web Developer @ Bencode, Brussels

- Practicing Web Development, Data Management, Logical Thinking,...
- Active learning methodologies. Learn by doing. Solution mindset.
- *Daily ingredients: mutual help, kindness, 100% commitment.*

2020 - 2023

Farm Manager @ La Finca & Co.

- Managing a CSA (Community supported Agriculture).
- In charge of sustainable vegetable production & customer relations.
- Board Member.
- *Enhanced customer base by 58% over a year.*

2017 - 2020

Script Writer @ RTBF

- Working collaboratively with a team of screenwriters on several web & TV shows for the belgian national television.
- Fonds des Series - FWB.
- *Deadline management, contracts negotiations, agile workflow .*

2010 - 2017

Director / Producer @ Grizzly Films

- In charge of day to day business related to corporate, documentary and feature films productions both locally and internationally.
- Managing director.
- *Proud winner of best Webserie @ RTBF Web Creation 2015.*
- *Multiple international festival prizes and selections.*
